In re United States Patent No.: 6,544,434

Issued: April 8, 2003

Title: ENVIRONMENTALLY BENIGN ANTI-ICING OR DEICING FLUIDS

Inventor: Richard SAPIENZA

New York, New York 10281
September 21, 2010

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

**PETITION FOR CERTIFICATE
OF CORRECTION UNDER 37 C.F.R. §§ 1.323**

SIR:

Attached hereto as Exhibit A is a Certificate of Correction to correct the name of the

Assignee to MLI Associates, L.L.C., having an address at 720-G Lakeview Plaza Boulevard,

Colombus, Ohio 43085 in the above-identified patent which represents a mistake of minor

nature. Applicant respectfully submits that the mistake occurred in good faith. Further,

applicant respectfully submits that the mistake does not involve changes in the patent that would

constitute new matter or require reexamination.

Upon a review of the patent, Applicant noted that METSS Corporation was inadvertently

listed as the Assignee, the Assignee should be MLI Associates, L.L.C. and not "METSS

Corporation." The error is believed to be the result of a good-faith mistake that occurred when

applicant inadvertently entered the wrong name of the assignee on U.S. PTO Form PTOL-85.

Accordingly, Applicant respectfully requests entry of the subject Certificate of Correction.

- 1 -

Pursuant to 37 C.F.R. § 1.20(a), the Commissioner is hereby authorized to charge the fee

that is required in connection with this petition for a Certificate of Correction to Deposit Account

No. 50-4459.

The Commissioner is hereby authorized to charge any additional fees that are required or

over payments made in connection with this petition for a Certificate of Correction to Deposit

Account No. 50-4459.

Respectfully submitted,

Alan B. Clement
